

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON NOVEMBER 19, 2003 AT 1:15 P.M.

PADRE PIO

I am Padre Pio. I smile at this little one as she makes things in a spoken manner, way, easy to understand, easy to believe, and also easy to follow.

The Father, in His Love for human life of all ages, has given to the world many times, *an individual chosen to provide necessary manifestations of Sainthood*, because the average human being cannot picture what *Sainthood* would appear like, or how It would show to those yet living. Logic would say It would not always be a physical appearance, but logically a Message, helping others to understand ***what a privilege it is in the Beauty of a Goal that every human being is capable of, and that is to, at a given time, return their Soul to Heaven.***

The Soul is not understood in the Magnitude It is, because the Soul represents a human life that, at one time, walked the earth in a human form with human capabilities in a way of life.

Those who read these Words, hopefully will understand to a greater degree of love for The Divine, because in these Words there is a Message Greater than a human mind can perceive It to be, because for an individual living in the world, it is difficult to think of being a Saint, living in a different Realm of Living Life.

As I close these Words, ***I bless you with The Father's Love, but also with the desire of All the Saints Here in the Heavens, to be able to one day share with you Where They are, in a Place called 'Heaven'.***
