

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON DECEMBER 2, 2003 AT 12:40 P.M.

“Many of Us stand Here with you, All smiling because of your delightful gift of love to one We All love. Her response to what is pleasing to her is always a joy for Us to see, because in her love for The Father’s Will, the gifts to her she feels comes from Him.

We watched her on this day enjoy something ordinary to human life, but in her way, in her thinking, and in her background, it meant more to her, the sounds of what occurred.

There are so many beautiful things in life that are missed by most individuals. So many become so serious, thus ignoring The Father, in His Love for human life, has allowed so many talents to come forward, giving to human life happiness, joy, in an area of lightness, goodness; never in an area that does not dismiss anything impure, unjust, or more pleasing to the enemy.

As I speak, I know I speak differently today, but The Father and All of The Saints Here in the Heavens love this Gift of Divine Love that speaks on all subjects of life, not just the Importance of Holiness, or Love in a Divine Form, Way, Manner, Degree; but, as I close these Words, I want you to know there are Several Here with Me today, and All of Us want this Gift that The Father has given, instructing hopefully millions of human beings on all the various ways in human life, that give to human life pleasure, spiritual growth in a closer connecting belief, love, and hope to The Holy Trinity.

Many Blessings are available. All an individual has to do is ask for Them in the proper manner, proper way, based on proper purpose. Hopefully, you will remember as you read these Words, What I had to say.”
