

REVELATION DELIVERED THROUGH FRANCES M. KLUG

SAINT ATHANASIUS

“I am Saint Athanasius.

So many of Us Saints are so pleased when The Father requests Us to speak through this Gift of His Divine Love, for the sake of the Souls that He puts into each human life at the moment of a conception of a human being.

Today as I speak, it is in thanksgiving for The Father’s Gift because, as a Saint, We learn so much from Him; and also, how Important it is to encourage and to aid in ways helpful to those who are yet in the living stage.

It is sad when We hear any age of human life not realize that ***in being created a human being, it is the Greatest Gift that anyone can receive. It is a Gift of the present, and a Gift of the Future that will always exist in some Form, some Manner, some Degree, close to The Heavenly King, Our Father.***

As I close these Words, I close Them with deep love for those who take Them and those who will pass Them on, because to the human way of living, it is not understandable to mankind, ***so much Beauty, so much Divine Love that constantly is close to human beings, giving them a Way, a Purpose, a Hope and a Goal for a Future Life with The Holy King.***”
