OUR HEAVENLY MOTHER

“I am your Heavenly Mother. It is with much happiness I speak to you today, this time of year wherein men, women and children think of The Divine Holy King in a way, a degree and a manner that they rarely think of in a simple way.

Needless to say, the so-called ‘Holy Days’ at this time, awaken thousands of mentalities to the Real Sound Existence of The Father’s Love for human life, and that in the Creation of it, He instilled a Portion of Himself, called ‘the Soul’. That is one reason why it is important for this time to be remembered in a loving, serving way, because at all times during a year’s time, thousands of individuals do not even pray, or do they think of The Holy King in a close degree of association with them, because they are too preoccupied by humanism and materialistic gains.

When this time comes and there is so much attention given to where it should be every day of the year, The Holy Father blesses those who remember, but also care for those they love in the human way, those they desire to please in the human way. It is a time wherein the mentalities of human beings think in a more Spiritual degree, manner, not just justifying the Name of the Time, but The Creator of the Time, The Father, The Holy King.

As These Words are closed, I must say this: If all were written on the Importance of Divine Love and what prayer is to The Father, it would be a shocking blow to see the Value and the Innate Love by All Here in the Heavens, when thousands remember that The Son of The Creator has a Day here that marks the Time that He was born as The Holy King.”
