

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON JANUARY 27, 2004 AT 12:53 P.M.

SAINT CATHERINE OF SIENA

I am Saint Catherine of Siena. I smile when I announce My Name, because so many present here know Who I am, perhaps have read how I walked a long time ago. I have come today to speak on The Father's Love for human life and His Innate Desire to have all Souls return to Him, and They be ready to be called '**Saints**'.

You live in a time when there are many statements, talks, regarding spirituality, but in so many degrees of the speech, there is evidence of little understanding of not just the motive for spirituality, but the greatness it is when an individual practices it, and in many ways, uses it to the degree of wanting to please The Father, The Creator, in all actions, ways and means.

Children are not being instructed on ***what a treasure it is to see the meaning in a prayer, to feel what the prayer is speaking about, or for, regarding the individual's manner of living, way of thinking, or the Goal that the Words automatically speak of, for the Soul.***

Throughout the world, there are men, women and children who find idolization of humanistic values, humanistic goals, humanistic persuasions, to be a gift to more fully understand things that are obvious to them daily, many times *ignoring* what *one prayer* will speak of, or what *one prayer* will make them think of: ***the Importance of their Soul over and above the materialism they basically adore.***

Many times it has been said, '***You live in a time worse than Sodom and Gomorrah.***' The Words are heard, many times read, but the meaning is overlooked, thus addressing Sodom and

Gomorrah only to the past, not to the present, because I assure you, there are many things occurring that could be judged in the same category as Sodom and Gomorrah. Morality is oftentimes overlooked, because there is so much humanism that appeases the human mentality, the human needs.

Today as I speak, I speak with much love, but with much hope, because ***The Father has given to the world the chance for numbers and numbers and numbers of individuals to put into script, What He Wills them and thousands more to know. The Words are All under-standable. Nothing is hidden. It is All out in the open.***

Remember when a person would sneeze and most in the room would say, 'God bless you'? How often do you hear that today? ***Not often***, because no matter where you are, whether it is in a home, a building, or a public place, it would be simple to say without a loud sound, 'God bless you' in a quiet way.

So much is thought of as being or having to be updated now, thus allowing so much ignorance to apply to what is morally practical, logical, and also pleasing to God.

As I close these Words, I beseech those who take Them, and those who read Them, to not *'to update oneself'* so much, but to see the reality, the purpose, the reasonability of Words that give hope, strength, when it is needed and where it will help someone to think of The Creator, that otherwise would not have thought of the word, **'God'**. It is Important that this **'Word'** be spread more than it has for a very long time.

So, as I leave you at this time, I must say, ***'God bless you for what you have chosen to be a part of, a Miracle of Divine Love,***
