

REVELATION DELIVERED THROUGH FRANCES M. KLUG

SAINT CATHERINE OF SIENA

“I am Saint Catherine of Siena.

So many of Us Saints Here in the Heavens are so pleased when The Father points Our Way, or requests Us to take the time to deliver His Love for all of mankind. This Gift, in which, through which, and by which so much Direction for the sake of Souls, is a Gift Beyond what the average mentality can perceive It to be.

Each time a human being says prayers, or talks to The Divine in a loving way, manner, whether it is just a communicative manner of speaking, it is a Beautiful Gift, because the individual, in putting so much Faith into his or her Faith, is blessed abundantly.

Though I speak differently on this Subject at different times, always remember, every age of human life has the ability, the privilege to communicate in silence with Any One Here, because ***the Soul, as a Portion of human life, is a Portion of The Creator***, not always understood in this degree of Magnitude or of Divine Love.

Though I speak differently on this Subject, it is Important for all who read It, to see the Divine Love that is in It for ***the Souls Who Will each day to be the day*** that the one in whom They were placed will *realize* how close they are to The Holy Trinity.”
