

REVELATION DELIVERED THROUGH FRANCES M. KLUG

SEVERAL SAINTS
SAINT ATHANASIOUS

“We All smile when We announce to *the little one* there are Seven of Us present where you are. We smile because she was shocked to have to listen to Seven speak. Her first words were, ‘I am afraid I will not hear It right.’ We All smile and say, **‘Our Words will be heard, as They are decreed to be a Major Aid to the Souls of thousands of human beings.’”**

I am Saint Athanasius. The Father has blessed human life abundantly by giving to it *the Written Words* to be able to be read, so that individuals reading What He Wills them to know will have more strength in how they act, and how they will appreciate the Knowledge, the Direction, and the Divine Caring that the Words express.

In The Father’s Love for human life, a long time ago He instilled in those who lived, the Words that would ring on for years to come. They were called ‘prayers’. The one prayer that is so often spoken is the **‘Our Father’**, because it gives strength to the individuals writing it or speaking it, because the very fact that it says **‘Our Father, Who art in Heaven, hallowed be Thy Name; Thy Kingdom come, Thy Will be done, on earth as it is in Heaven’**, though these Words are common to most human beings, they should be remembered that they bear an Important Statement of Fact, of Reality, and of Divine Love, because Heaven is a Place not fully understood, but ***It is a Goal Far Greater than the human mind can perceive It to be, because the Soul of every human being is aware that there is a Place for Them to go to, to return to, to be Part of, at another time, Another Way.***

I could speak hours on end on this Subject, because The Father's Love for human life also gave it a Gift of Divine Love, '**a Place to go**' when human life no longer is considered to be human in thoughts, words, deeds and actions. ***The Soul is consistently and constantly aware that one day It will be 'That Portion' of human life that will return to The Creator of All Things.***"
