

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON SEPTEMBER 15, 2004 AT 12:32 P.M.

SAINT ALPHONSUS LIGUORI

“I am Saint Alphonsus Liguori. Many of Us hear what you have to talk about. I smile when I say My next Words.

So much Love has been delivered by The Heavenly Father, so much Direction for the sake of Souls of millions of human beings. The enemy tries very hard to *dismiss* What is put into script through this Gift of Divine Love. The enemy cannot win, but catering to the enemy has its way of appeasing him. Remember that.

Today, throughout the world, there are millions of human beings, all ages, all sizes, all backgrounds, all heritages different in most cases, but every human being at the moment of birth, has the ability to learn, to act, and to one day speak openly on the importance of what is pure over impure, just over unjust, and all the words that bespeak these things.

This Gift of Divine Love has transmitted through those who have accepted the tasks, the basic knowledge of what is morally correct, morally sound, morally stable, according to Divine Will.

As Each of Us Saints Here in the Heavens speak out and request Our Words to be put into script, it is for a Purpose Beyond what it is seen to be because, do not forget, the Written Word can last a very long time, even when It is tossed around or omitted by those who are present when It is spoken. The Father sees to it that All Things put into script have a way of returning, or turning up to important spots, places, when The Father knows it is beneficial to the Souls of those who will read It.

I could speak hours on end. It would be a wonderful thing for Me to be able to do, but sometimes We are limited in What We may say, because there are so many of Us Here Where The Creator is, and He appoints Us personally, day by day, hour by hour; so, as I close these Words, I beseech you to remember: ***No moment of any day is not open for you to pray, for you to follow the Commandments that were given another day, and for you to concentrate on what is morally sound, practical, and pleasing to The Creator that designed human life, created human life, and wants it to return to the Goal awaiting it, awaiting 'That Portion' of it, the 'Soul'.***

As I leave you, I bless you for your courage and for your understanding in wanting to be part of this Gift of Divine Love, wherein so many of Us have the privilege to speak, to respond, and to give Hope where it is needed.

As I close, I say, ***'God blesses you every day.'*** All of Us Saints know this because, do not forget, He is with Us every moment, and We know What He says and What He Wills to have done in His Loving Way.”
