

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON SEPTEMBER 22, 2004 AT 12:41 P.M.

SAINT BARTHOLOMEW

“**T**here are many of Us present, perhaps too many to mention, but Those with Me have requested I mention My Name, because I have spoken through this Gift but rarely have I identified Who I Am. I am Saint Bartholomew.

This Gift of The Father’s Love for human lives is Greater than It is recognized to be. It is a Gift instilling into human beings of all ages, the Purpose for human life and the Love that is instilled in it, giving to human life a Goal, **‘Sainthood’**.

It is not often that prayers are heard responding to this Gift, because in the human manner, human way, prayers are spoken in a way that the individual feels comfortable with, positive in, and expecting the communication to be blessed physically, morally, mentally, personally.

I speak differently on this day, because I have come to announce that much love and pride is shown to those who walk in this path, based on ***the Miracle that was given to give strength, understanding, hope, and more love for The Divine.***

Children should be instructed on the Importance of prayer so it becomes a natural act of daily care; privately, will help the little ones because they will feel the response of Divine Care.

As I close these Words, I know They will be understood, because those who are putting Them into print are aware of their part in partaking in a Gift of Divine Love for millions of Souls everywhere.”
