

## SAINT JOSEPH, THE HOLY SPIRIT

**“I** am Saint Joseph.

**I** smile when *the little one* mentions My Name, because in the beginning of this time with her, The Father smiled. She told Him she did not know much about Me. He told her not to worry, He would deliver the Words He Willed her to have, and others to have. Her retaliation to this was, *‘Thank You, because I couldn’t do it.’*

**S**o here We are at this time, still talking to Each Other and still delivering through her, Words of Great Importance for the Souls of not just thousands of human beings, but millions of human beings. Never forget, when one counts in number, the number is oftentimes far reaching and greater than it is thought to be.

**A**s We speak today through *this small voice*, it is to give Hope, more Understanding, and more Ability to feel that, as a human being, and you have the capability to speak, to think on Subject Matter that you do not ordinarily think about, you have the *privilege* to learn from Words, very important things about life, about the Salvation of life, the Purpose for life, and the reasonability that human life was created for, *a Goal for the Soul*. Remember this.

**T**he whole body will be remembered, but *the Soul is that living Part* that will give to many others the strength, the reasonability, through what the Soul does for others to see, to feel, and to capture, spirituality of the mind, the body, *to further one’s abilities to understand The Divine*.

**I** could speak hours on the *Importance of this Gift* at this time that The Father, In His Divine Love, is delivering in such a matter-of-fact way, a logical way, the *Words*, All pointing to the Importance of human life.

**A**s these Words are closed, They are always ready to speak more on the Subjects that give strength physically, mentally, socially, and in all ways in which human life is seen, felt, active and present.

**I** close the Words with a Blessing. Use this *Gift* to strengthen your will, your actions, your under-standing, and all that you are in life, so one day, at a given time, The Father will say to you, *'Welcome to The Divine.'*”
