

REVELATION DELIVERED THROUGH FRANCES M. KLUG  
ON OCTOBER 5, 2004 AT 12:28 P.M.

SAINT ALPHONSUS LIGUORI

**“I** am Saint Alphonsus Liguori.

**M**any of Us Saints thank The Father for allowing Us to be able to speak to human beings of all ages, giving them, enlightening them, and encouraging them to be sure and follow a path ‘pure’ in every way.

**H**uman nature is a Gift of Divine Love, but human nature has the ability to speak in many degrees of terminology. It also has the ability to understand that when others speak, it is a Gift of Divine Plan, so that subject matter can be understood in the degree it is important to be understood, in the manner that gives to it what is called ‘*communication*’.

**W**ithout this Gift that is so much of human beings’ manner of communication, human lives would have a very difficult time, because it is innate in the human mentality to want to learn, to want to speak, to want to share, and to want to gain progress on situations, ideas, circumstances that, in many ways, are beneficial to their mentality and their body, their way of life, and what they learn about to make life, living the human way, more adaptable to so many Gifts of Divine Love.

**W**hen We hear individuals *ignore* some of the Gifts of what they are open to and are available for them to learn, it is sad to see them reject Gifts of this Divine Love, designed by The Creator of All Things.

**D**aily life is a Blessing and should be treated thusly. It is a

Blessing, giving knowledge and helping the spirit of human life to enjoy human life, and to share it with others. ***It is also a Gift that instills what a monumental Gift human life is every moment of every day, when it is recognized as being a Gift of Divine Love.***

**I** could speak hours on this. All of the Saints Here, in requesting The Father if They could but add to the lives of those who are yet in the living state, They would like to do it.

**A**s I close these Words, I will make one Statement: ***When you pray, be sure that you, in your own way, ask The Father's Love, because He loves to hear it when you say, 'I love You, God. Thank You for the day.'***
