

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON OCTOBER 7, 2004 AT 12:40 P.M.

SAINT MARY MAGDALENE

“**I** am Saint Mary Magdalene.

It is such a privilege for All of Us Here to speak through *one small voice* that has always been dedicated in love of God.

Today, at this moment, there are thousands of men, women and children acting unjustly, impurely, ignoring what would be correct, not just for their Soul, but their personality, their nature, and how others see them.

Prayer is an Important Part of human life, because it has the *advantage* over normal conversation. The moment a Saint is called upon to hear the words related to the Saint, the Saint blesses the place, sometimes abundantly.

Prayer is oftentimes ignored. It is not spoken unless there is an obvious attention to the thought, ‘*prayer*’. ***Prayer should be a daily practice***, recognizing that no day should not be spoken remembering some Saint or, of course, The Heavenly Father, The Heavenly Mother, and All Who are with Them in the manner They are recognized to be.

The world has been given a ***Gift*** that at this time is kept only locally. ***Many Saints speak through this Gift***, not to gain attention, but to instruct, and to help those who are yet living, ***to remember there is a Beautiful Goal to life, worth thinking about and worth practicing; to accumulate many hours doing it.***

Prayer was not meant to just be heard about, because ***prayer***

is a communication designed by The Creator to give strength mentally, morally, emotionally, physically, and many other practices of human life.

As I close these Words, I do it with great thanks to The Heavenly Father for allowing Me to partake in helping, in encouraging those who are yet in the living state, ***to keep prayer as a personal communication, never to be forgotten by the Saint, because do not forget, Each Saint lived the human life and understands all that the human way consists of and needs, to help it return to The Creator 'a Saint'.***
