

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON NOVEMBER 1, 2004 AT 12:35 P.M.

SAINT COLUMBKILLE

“**I** am Saint Columbkille.

Many of Us Saints are always present where ***this Gift of The Father’s Love*** is able to hear Us and to speak the Words We declare to be Important.

Children should learn the importance of how they speak, how they use words to describe how they feel, how they should use a communication that joins them with others, in speaking words that they feel are important for conditions, situations and/or personal commitments.

There are Many of Us present at all times through ***this one*** The Father has chosen to speak Words understandable, that give Strength, Hope and Realism to the meaning on what is important or what is weak, what is valuable or what is just a form of speech.

Children throughout the world, plus all the adults throughout the world, should learn about ***this Gift The Heavenly Creator has designed***, instructing, but also delivering the Words to be put into script, What He Wills to be remembered, not always just for the Soul, but for the innate sensitivity individuals have on Subject Matter that reveals to them a condition that gives them Strength, Hope, Logic, and in every way, ***the ability to strive to become’ a Saint’***.

I could speak hours on just the Words that everyone could use, strengthening their Faith, their abilities, and their manner of living the human life.

Human beings, of all ages, have the privilege to pray to The Divine. No animal has this. Human beings should see the *importance of every moment of every day*, and live it always, at some time feeling that this *Gift of human life* is constantly available to The Creator of All Things.

I will close these Words at this time, but I assure you, All the Saints Here in the Heavens love ***this Gift*** that is to awaken the mentalities of all ages of human beings, ***to be aware that each day can be used as prime time to think of The Divine, in Its Rational, Natural Place.***

As I leave you at this time, I will add one thing: ***You are never out of sight of The Divine.***”
