

OUR HEAVENLY FATHER

“I am your Heavenly Father.

In the Creation of human life, so many *Gifts* were instilled, so that this Creation that was to have within it a *Portion of The Creator*, was given so many Blessings, giving to human life a happiness, a joy, a delight, and a yearning to accomplish What The Father Willed.

Each time One of Us Here in the Heavens has the ability, or requests to speak *openly* and with *sound*, to those who will listen and put into Words for others to read, is a Blessing beyond what It can be seen to be.

You live in a time wherein so much is taken for granted, and so many decisions on important issues, things, are dismissed, because it is not seen what a particular issue can produce, can project, can instill, and can, in many ways, be the *solution* for a great occurrence to be.

All of the Saints Here in the Heavens desire to speak through *this Gift of Divine Love*, because They see so much Value to being instructed verbally, mentally, on the *Importance* of the Creation of human life, the *Goal* for human life, and the *Wonderment* of the human beings at another time.

Today, I know I speak in a manner different than you are used to hearing, but I beseech you to not toss the Words away, but use Them to give you the strength to practice all that is morally sound, morally beneficial, because do not forget, *you*

have a Soul that is to return 'a Saint'

I smile when I say the next Words: As you are delivered *how to think, what to see as important*, It is to give you the strength to endure all the physical angles and meanings, so that one day, when you are *'a Saint'*, you will have the privilege to fully understand *the Worth of your Goal.*"
