

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON NOVEMBER 12, 2004 AT 1:15 P.M.

SAINT MARGARET MARY ALACOQUE

“I am Saint Margaret Mary Alacoque.

The Father’s Permission is always a Heavenly Gift to Any of Us Here, because it gives Us a chance to share The Father’s Love through the prayers that are spoken by those who yet live.

Many times when a prayer is heard, We immediately try to help, so the individual receives the Blessing that is due for communicating so personally, and speaking the sadness that is within them for something they have done that was not pure.

So few people understand or realize that prayers are heard, and many times the willingness to aid them is greater than they know.

I promise you, to become a Saint in the Eyes of The Creator is a Gift Beyond what the human mind can perceive It to be, but I assure you, It is worth every effort you choose to make when you are yet in the living state, because your prayers are heard by The Heavenly Father and Many of Us Who are Saints.”
