

OUR HEAVENLY FATHER

“I am your Heavenly Father.

In My Creation of human life, I Willed it to have so many things that would help an individual more fully understand how important it was to be created *‘man’*: the Gift of *understanding*, plus the Gift of *sight*, plus the Gift of *hearing*, plus the Gift of *speech*.

The Gifts are too numerous to mention at this time, but I ask you to see *the Importance of receiving a Blessing from The Divine*. You know you do each time you make an act that gives aid, hope, help, or sound treatment to another individual. Blessings are multiple when there is kindness shown, decency, purity, and a constant or consistent understanding of what is right over what is wrong, what is good over what is evil, what is love over hate.

These words are common to most, and it is important to remember these words, because they signify how you think, how you feel, and also your judgment regarding what is morally sound, morally correct, morally pure, over it being impure in any fact that you know it is being handled improperly.

I have given to the world a *Gift of My Divine Love through one small voice*. It is Important that All that has thus far been delivered be remembered as not coming from her, but coming from Me through her, to give you the Strength and the Logic that Divine Love projects whenever you know Words are passed through her for the good of your Soul, and for the good of your way of life when it is needed.

Throughout the world there are so few who understand the *importance* of how they think, how they speak, how they act. They call it '*casualness*', they call it '*the human way*', and many other words that do not really convey the Importance that I place upon all that an individual thinks, speaks, acts or participates in.

As I close these Words I beseech you, *never forget that you have a Portion of What I Am within you that I want returned to Me 'a Saint'.*"
