

## SAINT JOSEPH, THE HOLY SPIRIT

**“I am Saint Joseph.**

***The little one We All* use to transmit to others, to deliver to others in a manner understandable, regarding that human life is Important and it has a Goal Above and Beyond what the human mentality can perceive It to be.**

**O**h, there has been many descriptive wording describing the Importance of human life because of *‘That Portion’* of human life that is a Portion Beyond what the human mind can perceive It to be. *It is a Gift of Divine Love* instilling in human life the logic, the beauty, and the necessity, giving to human life a Strength beyond what anything else created is gifted with.

**I**n the Creation of human life, *it was given a Portion of Divine Love*, thus giving strength morally, mentally, physically, and in many other areas of the necessities human life needed to make human life different than anything else created, because the *Soul* in human life, never seen, is a Gift Far Greater than the human mentality can perceive It to be.

**R**emember, when you cross yourself and you call upon *‘The Father’*, reminding Him that you exist and you know about Him, and then you bring your hand down, you call upon *‘The Son’* Who walked the earth noticeably, obviously in a human manner, way, purpose, and then you cross from one shoulder to the next and you call upon *‘The Holy Spirit’*, or as you call It, *‘The Holy Ghost’*, and you know within your heart, within your mind, that you are addressing a Gift of your love for The Divine; but also remember, when you say *‘Amen,’* you are not just

**closing the prayer or the wish, you are acting out of respect for the Beauty, the Dignity and the Magnitude of what you have just said.**

**As I close these Words, I close Them with a small prayer:**

***‘Father in Heaven, God of All True Love, bless those who speak words drawing Your Attention, asking for Your Protection, and thanking You for Your Participation in how they practice communication regarding their Soul and their love for The Divine, sometimes in a very quick way, but sincere in every aspect of it.’***

**I speak differently, I know, but sometimes it is to awaken an understanding of more than it is known to be. *God loves you. Remember this, and when you return love to Him, He blesses it abundantly.***”
