

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON DECEMBER 6, 2004 AT 12:03 P.M.

GOD THE FATHER

“I have given to the world a *Gift* understandable in What It speaks, how the Words are delivered. *It is a Gift of Direction and a Gift of Concern for the Souls of millions of people, not just in the language you speak, but in the language that covers the world with Repeats of What I Will mankind to speak, to act out on, and to use according to the ability, but also the security for their Souls.*

Though each time I speak through *this voice* I use now, My Words are to instruct, to encourage and to cause others' minds to read the Words, to understand the Words *for Protection of the Portion within them that is a Portion of Who I Am, their Soul.*

I know I speak firmly, but I speak It with Divine Love for those who live the human life that I created a long time ago, for a Purpose Beyond what human life endures, practices, or fully understands.

My Divine Love is the Cornerstone; also, the Important Part, Portion of human life of All I Am.”
