

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON DECEMBER 7, 2004 AT 12:49 P.M.

“**T**here are Several of Us present. We ask The Father if We may speak. He said, ‘Yes, what do You intend to say?’ We said:

‘**H**eavenly Father, there is so much to be learned at this time about the Importance of human life and the *Goal* You have for it, but so much is being ignored with excuses, and a switching of what is important to what is possibly likeable for someone to hear.

‘**W**e want this to change. We want it to go back to consisting of the Beauty, the Necessity, the Hope and the Divine Love that is recognized for what It is, for what It has, for what It can do.

‘**C**hildren throughout the world are not learning, because no one is teaching the Facts of what caused this time to be, what gave beauty to being able to celebrate the Birth of The Divine King.

‘**S**o much must be recaptured, so that those who are of the very young ages will be able to receive the sensitivity, the closeness that helps the mentalities, the desires, and the wills to more fully understand ***what a Precious Gift human life is, and that within it, it is closely associated with The Heavenly Father, The Heavenly Mother and All the Saints.***

‘**H**eavenly Father, please bless this *Gift* You have given to the world, to give Instructive Information and to help the Souls receive from the ones in whom They are instilled, more understanding of What awaits the Soul at a given time, based on Divine Love in all facets of It.’”

“As these Words are closed for now, I am grateful for the privilege offered, because when this occurred, I was assured that if I did not want to accept what was Important, I had the privilege to say ‘No,’ but my love for The Divine carried me through, in spite of any obstacle that could have caused me to walk away and ignore my participation and my desire to show love where it was deserved.”
