

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON DECEMBER 8, 2004 AT 12:16 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“I am Saint Joseph.

I speak often through this *Gift* that gives to so many human lives a fuller understanding, a greater ability to pray in many ways, because of the Importance of the Souls that, in Their Own Way, encourage human beings of all ages, reminding them that prayer could be spoken to aid them, to give them strength, and to help others in need.

When the Saints speak to Each Other, granted it is never heard by the human mentality, the Gift of being able to hear, but I assure you, more attention is paid to how human beings of all ages, all backgrounds, all degrees of intellect are seen by Those Who have the privilege for Their Souls to be present to give Aid, to give Hope, to give Assurance and Direction.

Never, never omit the privilege of speaking privately to One Who walked the earth the human way and is now pronounced a *Saint*, announcing the Holiness of how It is blessed by The Divine for using the manner of life to give *good example* and leave a worthy recommendation for the Soul.”
