## OUR HEAVENLY MOTHER

**“I am your Heavenly Mother.**

**H**appiness reigns where those individuals practice happiness and sound interest, ideas, concerns, motives and love. *Happiness to some individuals is an everyday Gift of Divine Love*, because through these individuals, they are able to cope with many things that ordinarily would not address happiness, but the sincere desire within them oftentimes gives to others more strength mentally, morally, physically, socially.

**I** know My Subject Matter is different than I usually speak, but with so much for individuals to be able to give to others happiness, aid in how the other individual might be thinking; also, the strength to endure what could possibly be harmful to their Soul.

**S**o much is given through *the Gift of Conversation*, through *the Gift of being able to speak what one thinks*; also, to give hope where it is desperately needed.

**T**here is no price tag on happiness or sincerity or hope, only an individual’s personal perspective in how they will address it in their own mind, and to help others they know.

**T**hough I speak differently, I speak in this manner because I love you, and I know My Words will be put into script, hopefully to help others.

**I** bless you with Divine Love and I say, *‘Never forget, you*
