

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON JANUARY 21, 2005 AT 12:49 P.M.

“**T**here are Several of Us present, as is always the case, even when We only mention one Name.

The Father, The Confessor, The Controller, and The Almighty One has blessed this Gift through one small voice more than it is understood to be, because in a Communication of This Nature, This Value, and This Divine Concern, logic should tell human beings that He would not let *a little one* alone without the Correct Instructions, because of the Souls that are involved that He uses this Gift to give strength *for, in and to*, because the Souls are a Portion of Him.

I know I speak differently than you are used to, but there are Many Here in the Heavens Who find this Gift of Divine Love so Extraordinary in Divine Love, because It comes through so naturally through a human voice, understandable in Sound, in Words, Reasonability, Dignity and Honor.

Throughout the world there are millions of human beings that do not have the privilege to hear firsthand, so much Divine Love given, to give strength, courage, and an in-depth understanding, ***so that those hearing It have the privilege to use What they learn to help others who do not have the privilege to hear the same Wording as they do, Direction that is of Great Concern, and Hope that is instilled to give more to human life than it is practiced by the human mentality.***

I know My Words are different. There are Many of Us Here. We All speak, even when We do not announce Our Name individually, because this Gift is of such Great Importance, allowing the Words to be put into script, not just using the memory of one,

two, three or four human beings.

I will close for now. I smile when I say 'I' because We All agree We will shorten this Message due to the time, but as you know, We speak oftentimes automatically.”
