

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON JANUARY 25, 2005 AT 12:43 P.M.

“Yes, there are Four of Us present. We are All smiling at *this little one’s* pleasure to see Us, but concern over how much We will speak.

Each day you live in the human way is a Gift of The Father’s Love, because in having the strength to endure of what the physical body uses in activities, is worth more than it is understood to be; also, the voice of a human being takes strength, energy. Each portion of the body was designed to be able to use the living one that bore the body, very small at another time, and then as the mentality grew, the physical portion of life grew in a greater size.

We All smile Here in the Heavens at these Words that were just used because, do not forget, the human body is more special than it is understood to be. It has many parts in it, many reasons for it, but it has an Important Gift of Divine Love in it. It is called ‘**a Soul**’. You cannot see It, you cannot feel It, but ***It is ‘That Portion’ of The Creator. The Father Himself places that Soul within the conception of a human being.***

Remember to thank The Father for His Love, because everything a human being is, ***is designed by The Holy Trinity, to one day return a Portion of it, the Soul***, through that one body that was gifted with so many abilities: physical, mental, moral, and so on and so on and so on.

As I close these Words at this time, I beseech you to remember, that to be created a human being is more than you understand a Gift of Divine Love to be, because ***that Gift will be returned to The Creator, and whether It gains a title or not, It will be a Saint forever.***”
