

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON FEBRUARY 5, 2005 AT 6:40 P.M.

“**Y**es, Our Presence is evident to her because, you see, it is often that she is surrounded by more than One of Us Who wants to speak. This *little one* is very alert to Our Presence. This, in many ways, is a treat to Us, because of Who she serves in The Holy Trinity.

Spirituality has many different areas that are evident to the mentalities of human beings. So often a Saint will speak with an Important Message that must be heeded by those present, because it is to alert an interruption or a condition or a situation that is not justifiable to What the Gift of Divine Love is all about.

So many men, women and even children read Bible Stories and spiritual stories, but do not fulfill what is requested to them in the stories, nor do they follow the procedures that are advisable for the Soul of the one who is hearing the words, but not repeating the words in the manner of way that will change the situation to the degree that is best for it to be understood.

Many of Us Here in the Heavens ask The Father if We may speak. He smiles, but He does not always give Us a nod or a word that says ‘Yes.’ Today is a day that so many human beings could act in another way, another form, another degree of practicing more Faith in The Holy Trinity.

I will close these Words at this time, but I ask you to remember that ***every day is a day for you to personally speak to Any in the Heavens because, you see, The Divine Way of Living is Greater than It is seen or known to be.***”
