

REVELATION DELIVERED THROUGH FRANCES M. KLUG  
ON FEBRUARY 9, 2005 AT 11:40 A.M.

**“T**here are Many Saints present where this *little one* We use receives What is Important for others to know about, because of the Souls that are involved in the results of what others do.

**A**ll ages of human life, all backgrounds of human life are considered when We speak Words of Direction, and Words that apply to how an individual should see human life for, because ***human life is gifted with a Gift of Divine Love, the Soul.***

**T**he *Soul* is the *recipient* of all an individual thinks, speaks, acts out and automatically projects, thus allowing those who are present sometimes to learn from, learn about a different manner and way of doing things.

**W**e hold her tightly for her body is close to collapse, bearing the burden that no one else has. Some would say, ‘To speak the Words of The Creator cannot be a burden.’ The word ‘*burden*’ is thought of differently in this case, as so Many of Us Here want to deliver to those yet upon the earth, Words of Comfort, Direction, giving strength to how they use the Soul that they are the custodians of since the moment of conception.

**M**y Words are different, I know, but My Purpose is to instill more indepthly, how important each human life exists.

**W**e will not speak long because much more has occurred, using her physical in ways not seen and her mind not able to express the indepthness of what she has been exposed to.

***Always know that when you hear Words from Any of Us,  
They are Words directed to alert you, to remind you, and to help  
you more deeply understand that as you are created in the  
human way, you are part of Divine Plan.”***
