

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON FEBRUARY 9, 2005 AT 12:32 P.M.

“**T**o be created a human being is a Gift far greater than it is ever seen, ever felt.

Today, as Many of Us Here in the Heavens speak, it is to share with those yet in a living state, the Importance of human life and that it was created for a **Goal** Beyond what the mentality speaks about. ***The Goal, of course, is to return.***

Some people say, ‘But You say only my Soul goes to The Father.’ That is true, but do not forget, your Soul represents that body that you were in for a lengthy time, or ‘for a length of time’ might suit your taste better in the expression in how long your Soul was connected to you, and then became a Saint.

Sainthood, to many, is a thing of the past, thought about in different ways, of course; but I will close My Words at this time, because I could speak hours on end, defining Divine Plan and the Purpose in which The Creator of All Things plans what is best when we are *man*.

I close the Words with a Blessing, and I ask you when I finish the Blessing, to say ‘*Amen*’. Be blessed by what you know is Faith.

You are blessed with *the Gift of life*, a living means to give you many talents, many areas wherein you alone can communicate with other lives. ***Never forget that the Gift of life is more than just being a human being; it is a Gift blessed by The Divine, and the Soul within you is to return to Him ‘a Saint’.***”
