

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON FEBRUARY 28, 2005 AT 12:42 P.M.

“All the *Gifts* instilled into human life had a reason, a purpose, because without it there would be no communication, just sounds.

Remember one thing: When you pray, you are communicating with The Divine. The words draw attention Here, just as if you are talking to someone close to you. Our Response may not be verbal to you, but there is a certain sense of communication that is *innately* felt. You feel you have reached Whoever you are calling upon, and sometimes that Saint responds, but not in such an open manner that causes you to be so obviously recognized, telling others close to you that you have been returned in how you pray, how you think. Your association responds in the human manner, way.

I smile at this, because inwardly, anything you think or say is recorded in a different manner and way than you know it to be. Take your sins, for instance: No matter how little you think the sin is, is it not so it is recorded Our Way?

This Statement is just to remind you that Divine Love cares so much about you, because *your Soul is the recipient of everything you think, do and say.*

God loves you. The Saints love you. Keep that Relationship on an even level, you returning the love through purity in how you pray.”
