

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON MARCH 3, 2005 AT 12:20 P.M.

SEVERAL SAINTS

“There are Several of Us present, and it is a beautiful sight to see human beings of all different ages happy to know that We are present. If they were not happy, they would not be putting Our Words into script, wanting to remember the Words We will speak and the Importance They are to their manner of living.

Throughout the world there are millions of men, women and children who do not fully understand that each human life has a *Soul* that urges them on to be pure, to be honest, and to be under self-control. These, of course, are Gifts of Divine Love instilled, constantly reminding the mentality of human beings that human life has a Purpose, a Goal, plus all the *Gifts* in the human way, living each day in circumstances, under Rules that give strength, purpose, and direction to the human role.

Many of Us Here in the Heavens smile when We see others who are yet upon the earth desire to hear Our Words, because they feel that What We are able to speak is ‘for the good of our will and our Soul’.

I will not speak long, but Many of Us feel that your manner of using the time to address What will come from The Divine is more than a privileged role, it is a Blessing to your Soul that nothing else can take credit for.”
