

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON MARCH 11, 2005 AT 1:13 P.M.

MANY SAINTS

“Yes, there are Many of Us. We All smile as she looks to see how many there are of Us, and What We are doing. Some of Us are talking to Each Other, trying very hard to help those who are yet in the living state.

This may be difficult for some to understand, but The Father allows Us to sometimes participate in a degree, manner and way unseen, but helpful in some ways.

Prayers are Important to all ages of life, from little ones on, to those who have many years in count.

At the moment of conception, The Father is present, and at the time it is needed, The Father is present.

It is sad when We hear some individuals cannot believe in The Holy Trinity, cannot believe in many things that, in so many ways, are helpful to a human being.

We have spoken these Words today, to remind those who will read Them: Never think, never feel that your request, or what you desire to know is not heard in its full measure by All of Us. The Father sees to it, I promise you, because the Souls of those who are here are very Important, because They have a place of importance in many ways that does not show.”
