

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON MARCH 17, 2005 AT 1:23 P.M.

So Many of Us gather, as you gather to fulfill what you have chosen to accept, to use what is called 'working time' for a project to help others learn What you know about, while many a times We Saints Here in the Heavens, stop and gather to speak, discussing with Each Other what We are doing and what We feel is accomplishing to aid many people in a deeper understanding in how they should live according to The Father's Will, The Father's Rules, The Father's Love, and of course, All the Things that Heaven permits Them to do in the Salvation of Souls They are appointed to.

I speak differently, I know, as All of Us do when We give Words through this **Gift** that The Father Wills to be read, instructing others who do not have the privilege to hear the Words or see Them in print.

Each day of human life is a special day. Remember this. It gives you the privilege to honor your Souls and give strength to others you know by your good will, by your happiness, and your desire to walk the road of service in a form of the Written Words, thus helping others who read the Words to learn more than they would if you did not do what you are doing, if you did not think the way you are thinking. So many could be lost.

Remember, as you were created a human being, that is the first privilege that you are given, but then you are to take upon yourself, your motivation to return to Heaven."
