

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON MARCH 18, 2005 AT 11:40 A.M.

OUR HEAVENLY FATHER
MANY SAINTS

“There are Many of Us present, too numerous for *the little one* to count, but as We speak, she sees Some of Us smiling, and Those Who are seated, she says, ‘Are You weak?’ We All smile at this, for she is so sensitive to so many things. Others do not understand such a sensitivity as she brings to their attention, many times when We speak about the actions and how they should be.

We hold her tightly, for Our Love for her is different than it could be seen or known to be.

My Words, as I speak at this time, are Important Words, because each day of human life is a day greater than it is seen to be, because it is being recorded for the sake of the Soul that is within it, that is anxious to one day be returned to from Where It began and Where It stood when It was chosen to walk with a human being.

Needless to say, the Soul is rarely, if ever, thought about in the degree of Its consistent, constant accompaniment to daily living.

This Gift of Divine Love is Different than any Other One ever given to the world. It has enlightened individuals into a more in-depth understanding of *the Closeness they are to Me*.

She stares at My Face and wants you to see Me. I said, ‘Not at this time, *My little one*.’

This Gift that has been given for such a long time now — I am showing her Souls going to Heaven — so much has been put into script, getting individuals of all ages to see the benefits of living life, understanding that *there is a Heaven and there are Souls in It.*

I could speak hours through her, but *the little one*, after so many years of listening to Us and putting obedience to Us above all things, her little body is spent, but that does not mean the end of Our Time with her, because there is yet so much to be learned about *The Holy Trinity*, and *the Importance of the Goal* for which human lives were created to reach.

I close at this time, but I assure you, We are always present within her every moment of every day.

As I say these Words I sign you with The Cross, giving you the strength, hopefully to understand, *to be the recipient of All that is spoken vocally, you have the privilege to follow more indepthly, Divine Plan.*
