

REVELATION DELIVERED THROUGH FRANCES M. KLUG  
ON MARCH 25, 2005 AT 12:01 P.M.

OUR HEAVENLY FATHER  
SAINT ATHANASIUS  
SAINT PEREGRINE  
SAINT STANISLAUS

**“I am Saint Athanasius. I am Saint Peregrine. I am Saint Stanislaus. I am your Heavenly Father.**

**T**hough it is difficult for many to understand or to accept how so Many of Us use this *one small body* to address so many Subjects based on the Importance of human life and the Importance that each human life is the custodian of, *a Portion of The Creator*, thousands of Words have so far been put into print explaining many issues, conditions, and circumstances that so Many Saints use or direct, for others to use for essential items of situations that are important for the mentality of all involved, plus the Knowledge that gives strength, hope and an understanding of the Importance of the *Gifts* of human life.

**T**hough there are thousands and thousands and thousands of human beings living, the amount that speak in the correct manner, way and degree is minute to the number that exist.

**T**hroughout the world, prayer is not seen for its Greatness in Communication with The Divine. So many individuals say words, but so rapidly, because of the time that they do not want to spend on emphasizing the words in a degree and way more pleasing, more honorable to The Heavenly King, The Heavenly Mother and All the Saints. Some individuals would say ‘The time does not allow me to do it the way You suggest,’ but I say to them: ‘You take time in a frivolous manner when it is something you are enjoying. Why do you *ignore* a

**Communication between the Ones I mentioned that are of the Greatest Importance to your living, to your daily needs?’**

**We hold *the little one* tightly for she is concentrating on Our Faces, watching Us in her way, speak as We speak through her, for others to be able to learn from Us the Importance of the human way and how The Heavenly King, The Father, wants all men, women and children to recognize Him Above all things, for in the Creation of All Things, His Concern was for all things to become adaptable in a manner and degree capable for those who received It, to be better able to use It physically, mentally, socially, morally, and yes, intentionally on different things.**

**We All smile at *the little one*, for as We speak, her body shakes with Our Power. As We release the Power, she says, ‘Thank You, God bless You,’ and We smile at this.**

**To walk a road as she walks every moment of every day is not the same road you walk. Yours is easier in every way.**

**As I close these Words, I want you to remember that *The Father’s Will is the Greatest Gift that human life can use, can be part of, and It has hope in It, beyond what the human mentality knows hope to be. Remember this.***”
