

REVELATION DELIVERED THROUGH FRANCES M. KLUG  
ON MARCH 28, 2005 AT 1:50 P.M.

**OUR HEAVENLY FATHER  
MANY SAINTS**

**“There are Many Saints standing with Me. I am your Heavenly Father.**

**This Gift you partake in, is a Gift Greater than you understand It to be, because you see, your communication with The Divine accelerates when you use color. I say this because, do not forget, in the Creation of flowers, color was always the attractive sight.**

**Now let Us take your way of life. If it was cold, dull, and had no color, it could not give you happiness, but when you were created, was not the word ‘pink’ instilled into your being? Perhaps it was slightly different than the color originally, but the blood you were given and many other things, showed pink.**

**It may be difficult for you to hear My Words, but the Love of Creation of human life is a Love Far Beyond what It is seen to be. It is a *Gift* that is to one day return a Portion of it, *the Soul*, and be with All of Us forever and ever and ever.**

**The foundation of becoming a Saint is not too difficult for anyone, because in the very Gift of Life, *color* adds many subjects to life. Think about this, but also remember, when you practice obedience to all you know is right for your Soul and for yourself in the human way, do you not think of the happiness it will bring when one day We are Face to Face?”**
