

REVELATION DELIVERED THROUGH FRANCES M. KLUG

OUR HEAVENLY FATHER

“I am your Heavenly Father.

More emphasis should be put on the Importance of the Blessed Sacrament, because each time an individual accepts this Gift of My Divine Love, unknowingly the individual is blessed in a manner and way inconceivable to the human mind.

As human beings greet each other, and find the association strengthening, allowing the communication to have purpose helps those involved, sometimes in many ways.

I say these things because of the Importance of the Communication I have with human beings physically.

When the time came a long time ago, and I gave The Holy Eucharist, It was My Sign of Divine Love to each one who received It. It was a Physical Sign, a Generous Sign, a Loving Sign, and a Sign that connected Us as One. The Holy Eucharist is a Gift of My Divine Love, and I treasure Its practice, when It is practiced in a sincere, understandable way, because It connects Us to Each Other in a manner and degree of sharing the Importance that The Creator of All Things named It to be.

This Gift began a long time ago. It is not new in What It stands for, and What It gives to those who receive It with respect, love and honor.

I will speak more on this at a later time. Always remember, the Gift of Divine Love is Greater than It is understood to be,
