

REVELATION DELIVERED THROUGH FRANCES M. KLUG

OUR HEAVENLY FATHER

“There are Several of Us always present where this *little one* is. We smile, because she oftentimes says, ‘Please never let me lie about anything.’ We have at times asked her what a lie means. She goes into detail to the degree she can handle personally.

The *Baptism* in life is of Great Importance, because when the Soul gets blessed, it gives the Soul an understanding that allows the Soul to want to be honest, truthful, and faithful to The Divine. The Soul is more Important than It is seen to be. It is rare that the Soul is thought about as much as It should be.

We could speak hours on the *Gifts* of human life, human living, human responsibilities. That is why it is so important that individuals of all ages be *reminded* that how they speak, how they think, how they act, *they represent what is morally correct, morally acceptable*, rather than the opposite of this.

So much is never spoken when it comes to *accepting*, or *reviewing*, or *more fully understanding* morality over immorality, love over hate, purity over impurity. So many times when One of Us speaks through this *Gift*, it is to strengthen in others, how they must *think*, how they must *remember* that within them they have ‘*a Portion*’ of *Who I Am, What I Am*. To many, this is rare to remember. They look at life from strictly a personal understanding of it, thus *ignoring* the *privilege* of it, the *Goal* for it, and *Who* created it.

I will close My Words, because I could speak hours on end

on the Importance of human beings, one at a time, encouraging them to fully understand *the path of life is a Gift of Divine Love, a path that has a Goal Greater than any human mind can perceive It to be*, and that is, to one day return to The Creator and have Him say, *'Welcome, Saint.'*"
