

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON APRIL 26, 2005 AT 12:40 P.M.

MANY SAINTS

“Many of Us Here in the Heavens know that each time We address an individual, those who take the Words find it difficult, but it is Very Important each time The Father beckons One of Us to speak, because in many ways, We are your communication to The Divine.

Your prayers are spoken personally. Your talks with The Divine are personal, but when The Father requests Us to signal you that Something of Importance is passing through, please remember, It could mean the world to you.

Each Word spoken has a Purpose. Each time it is done has Purpose, because in the Love you receive from The Divine, you do not always recognize It ***as a close relationship from Divine Love.***

So much is taken for granted and put in the category of human manner of doing things, but as of today, Many of Us Here in the Heavens sincerely hope that as you face each day, you become more aware that you are never alone.

Do not forget, ***you have a Soul, and the Soul has the ability and the privilege to communicate with The Divine.*** This can happen when the Soul is concerned over you.

I will close these Words, but as I do, I want you to remember: ***You were created a human being. You were gifted with a Soul, a Portion of The Creator, that never leaves you.”***
