

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON APRIL 28, 2005 AT 12:00 NOON

OUR HEAVENLY FATHER

“I ask *the little one* to cross herself to allow you to know that I am present here. Many times I am present and you do not know *How I Feel, How I Think, and How I Respond to how you act.*

My Love for you is beyond what you can perceive It to be because, do not forget, you bear a Portion of Who I Am, What I Am within you.

There are millions of human beings throughout the world, *created to participate in a Gift of Divine Love*, all ages, all backgrounds and all degrees of abilities, and also, an *innate logic* of what is right or what is wrong.

Children are not being instructed in a full measure regarding their *conscience*, or their *abilities to choose* what is pure over impure, just over unjust. Leniency is prevalent in many places where they are concerned, because many older people who are in charge, act in a manner and a way, allowing *time* to change the children with more ethical understanding, and yes, more learning, as they see it, many times in a way and a manner to cover what they themselves were like when they were that age.

I know I speak differently, but I speak it because there are so many ways that an individual has to portray, to discuss, and to deliver subject matter of all degrees of morality, immorality, purity over impurity, and justice over injustice.

Remember What I have spoken today.”
