

OUR HEAVENLY MOTHER

“I am your Heavenly Mother.

I speak today to thank those who are present with this *little one* that serves in so many ways.

The Father’s Love for human lives, to be created, to be born a human being has a method, a system, an order, but it must never be forgotten that human lives were created for Several Purposes, not always understood in an open manner by other human beings.

Life was created to be the foundation for the *Goal* that was one day to be returned to from Where It came. The *Goal* is Far Greater than It is understood to be, and it is not until one is blessed by It, with It, that It is understood to be.

So much is delivered, aiding human beings of all ages to recognize the *Importance* of being created, to be able to live as even The Son of The Creator once did. The Proof of This Gift has been put into script many times; but, this time in the history of human life, It was meant to give those who were yet to come, *the Beauty of a ‘Gift’ that was for the Salvation of human life, through the Soul.*

So many may not understand *the full meaning* of What I have just spoken, but I want you to think about it, because *there is a Goal for human life*, and that is to return *‘That Portion’* of it that is *‘a Portion of the Creator’*. The Word for It is very beautiful and yet simple to remember, depicting It openly, calling It *‘a Soul’*.

The Soul means so much. It is a Connecting Link. It is the Protection for the mentality and the body. *The Soul, as 'a Portion of The Creator of All Things'*, instills into every human being created, a *Gift of Divine Love*.

As I close these Words at this time, I only close Them with My Love, because I am always available to hear what you have to say, and to help you when you ask for it any time, any day."
