

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON MAY 23, 2005 AT 1:27 P.M.

MANY SAINTS

“**T**here are Many of Us present, All desiring to speak on some Important Issues that need some attention.

So many men, women and children find it easy to ignore that they have ***the privilege to say a prayer any time during a day, and it will be heard.*** I do not say, ‘Pray constantly,’ but I do desire you to understand that your association with The Divine is not just before you go to rest at night; your communication is whenever you choose it to be, because there are Many Here in the Heavens that await for you to speak.

This may sound to many who read the Words, not natural, not the way they know it to be, but I assure you, there is no time in your day or night that there is not Someone to hear what you have to say, and Who will, in every way possible, try to give you what is necessary for a need that you request, but sometimes the need is not what The Father knows you need, so you receive something else; you can be assured of that.

Help comes in many ways, sometimes in a totally different degree or manner than you would suspect it to be, but I am here to say a very Important Statement: ***No prayer is ever not heard, but remember, you are always aided, maybe not in how you request, but in a manner and way more helpful on an issue, a situation, or a condition that perhaps you do not consider it at that time.***

There are so many ways to request help and you can be assured, ***you are always heard.*** Never say ‘*I did not get what I wanted,*’ because maybe it was not The Father’s Will, due to the fact that it would not have sufficed for what was really needed by you.”
