

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON JUNE 6, 2005 AT 11:53 A.M.

OUR HEAVENLY FATHER

“There are Many of Us present. I am your Heavenly Father. I have requested Several Saints to appear with Me at this time, because there are so many of you that bear Their Names in some way, and I felt it would be a compliment to you, because of your service to Me in many ways.

In the Creation of human life, there were many decisions to be addressed. It was not thought of in a moment. I assure you of this. The Gift in Design of human life was to support the Beauty of The Divine, and let others similar to What We were, enjoy the Beauty that would surround them, but also, who would make use of the earth.

I know I speak differently; I always do, but I come on this day to assure you, to be created a human being is a *Gift Far Greater* than it is seen to be, but never forget, it has ‘*a Goal*’. *The Goal is Special in every way, because the Goal returns you to from Where you came.*”
