

OUR HEAVENLY MOTHER

“I am your Heavenly Mother.

I have come on this day to ask you some questions. This, of course, is a rare Act of My Divine Love, but The Father has accepted My Request to do this with you at this time.

One: Do you always tell the truth?

Two: Do you always feel that you have fulfilled a day creditable to your manner of living and your spiritual understanding?

Three: Do you look forward to what you will practice in regard to *how to become a Saint* when the time comes for The Father as He calls your name?

Do you look at each day as a *Gift of Divine Love*, and do you practice in it, all that is *pure, correct*, and makes you proud?

Do you give others strength in what you say? Do you give them hope in how to pray?

Do you act according to the fact that The Father is standing by you, listening to everything you have to say?

Are you proud of how you look at all things every day, thankful that you had the chance to use the day to help yourself and others, in a more successful spiritual manner than the day

before?

I have asked these questions because of My Divine Love for you. There are so many Souls Who, at this time, are *sad*, because those who They were placed in at the moment of his or her conception, have become the *victims* of many things that were not meant in the right way. Many were used to want to be popular in the human way, and many used the time carelessly.

I know I speak differently, but My Words I wish could be sent throughout the world, to awaken the mentalities of all human beings to the fact that *every human being is an 'example' to countless other people every day*, and many times what others see does not help them mentally or morally or spiritually.

I love you for taking these Words. I know it is different than I usually speak, but I am hoping that you will find Them, in some way, to give you the strength *to always be 'example' in everything you think, you do, and you say.*"
