

REVELATION DELIVERED THROUGH FRANCES M. KLUG  
ON JUNE 16, 2005 AT 11:55 A.M.

SAINT AGNES

**“I** am Saint Agnes.

**I** do not speak often through *‘this Gift of The Father’s Love’* for human lives. It is a privilege that I have been given today, to speak What I was hoping to speak, and as I requested The Holy One, He said to Me, ‘Whatever You think will give aid, I accept Your request in My Way.’

**My** Words are to say to not just the young, but to make others also aware, that there is a Divine Way of Living, of Life, of Hope, helping the Souls reach the Destination They were created for.

**I** know that My age is young, but I say to you now, *‘All ages that are Here in the Heavens are blessed as Holy Ones.’*”
