

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON JUNE 16, 2005 AT 1:10 P.M.

SAINT MARGARET MARY ALACOQUE

“I am Saint Margaret Mary Alacoque.

As We stand by so many times and watch what is occurring in different places throughout the world, We always try to ask The Creator to bless those who serve, and to help those who need help in how they think, act and speak words.

To be a human being is a Privilege of Divine Love, but it is also a **Gift** Greater than it is seen to be. To live as a human being allows a service to be active in helping The Divine give hope where it is needed, service when it is needed, and Divine Love to show through the human living manner of the one speaking, or using time with another human being to, in some way, be company that is needed.

Children are not being instructed in the in-depth degree that will help them feel more in tune with how they should act, how they should feel, and how they should pray to The Divine.

So much could be spoken on this Subject, because human life would have nothing to look forward to if All was not **as It is, in The Divine**.

I will close these Words, even though I would like to speak endlessly on what a *privilege* is granted to those in the living state of life, because **there is no end to Divine Love in any Facet of It.**”
