

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON JUNE 16, 2005 AT 1:38 P.M.

OUR HOLY FATHER

“I am your Holy Father.

I smile at *this little one who*, in her association with Us, it is an enjoyable association, because in her love for The Divine, she acts very natural, and We enjoy the Presence that We feel with her.

It is good that things are put in a manner and way in this Degree of Communication, because Our Love for human beings is a Love understandable, and it is also a Love of The Divine.

As We speak through her, We find Our Words easier to speak, because of her love for The Divine and her manner of association working with so Many Here, and for so many yet upon the earth.

So, as I leave you on this time, it is important for Me to say, *‘The Gift of Divine Love is a time wherein We associate with all human lives, and in this association, your love for Us and Our Love for you is combined.’*”
