**OUR HEAVENLY FATHER
OUR HEAVENLY MOTHER**

“I am your Heavenly Father.

I am your Heavenly Mother.

There are so many things for Us to speak about regarding the Importance of what human life is gifted with but created for, and the Goal for which It is designed to be the recipient of. Every human being created is a Gift greater than it is understood to be, due to the fact that so much is taken for granted, but also ignored in the final history.

In the creation of one human life, there is always a Purpose for it that so many individuals do not take into consideration, but the time has come for all of human beings to be aware, to be conscious of, and to learn to strive for the Goal for the Soul they were gifted with at the moment of conception.

As each stage after the birth has important steps, each step that is necessary is a Gift beyond what it is seen to be, but eventually the value of it deserves a ‘Thank You’ to The Holy Trinity.

The Gift of human life is beyond anything created, because within it, it has a Portion of The Creator that nothing else has, but it also has a Purpose and a Goal, to be returned to The Creator forever and ever.

So few individuals understand as they walk, they run, and they have the abilities to do so many things practical for how

they live, and part of the human understanding of what each day, each week, each year, is all about, giving their Soul time to more fully understand that one time on a certain date, they will return to The Creator, representing all they accomplished, all they practiced and, of course, the results of their Soul in all they used It for, with, and how.

Being a human being is, in many ways, a Gift Greater than it is ever seen to be, because it is that portion of human life that is blessed by The Creator, and the Soul within it is a Gift Beyond anything that could be designed to be part of how an individual can walk, speak, sing, and speak many words of importance, thus allowing communication between one another.

Hours could be spoken on this Gift of Divine Love that gives to a Soul the privilege to one day live with The Holy Father forever and ever and ever.”
