

OUR HEAVENLY FATHER

“I am your Heavenly Father.

All through time I have used delicate small bodies to serve what I want others to understand, that My Love is for all ages and degrees of size of human beings. There are no exceptions to how I feel about those who I created as human beings. My Love is different than It is known to be, because when the human lives were first introduced to the world it was a beauty to see, as many *Gifts* were seen through how I introduced them, protected them, and felt normal with them.

In this creation that has been given the *‘Portion of What I Am’*, called *‘a Soul’*, this creation is blessed abundantly more than it knows. Each Soul that is handed to a living human being is happy to be part of that human being, to give strength and help, because then the Soul will return to Me at a given time, in a given manner and way. Though the Soul cannot be seen in the physical way, the Soul is present to how the individual understands purity over impurity, justice over injustice, hope over despair, love over hate.

There are many Words I could speak, because in the Creation of My Love, *to share What I Am and Who I Am, is joy more than it is known to be, thought to be, or understood to be.* In this Creation of Divine Love, it had a beginning; in each step it had to progress, increase the understanding in a more beautiful manner and way.

I use *this little one* in many ways. Her love for Me is one alone.

Today, as I speak, the world must understand I oftentimes am present to give aid and help all ages of human life, wanting My Existence close to them and for them, to give them strength to understand My Love for this creation of man is not just a *Gift*, but a *Treasure of My Love* for it, in it.

As I close My Words I must say, 'I love *this little one* I use, but I love many who walk a path to serve Me and many who address Me in prayerful ways.'
