

REVELATION DELIVERED THROUGH FRANCES M. KLUG  
ON JUNE 21, 2005 AT 1:00 P.M.

**OUR HEAVENLY FATHER  
OUR HEAVENLY MOTHER**

**“I am your Heavenly Father.**

**I am your Heavenly Mother.**

**We smile at Each Other, but We are really smiling at you who are about ready to take the Words We Will others to know about and to read, because of the Importance meant in Them, based on The Holy Trinity.**

**Even though it is oftentimes spoken, ‘In the Name of The Father, and of The Son and of The Holy Spirit of The Creator’ All as One, so many times when this is put into a mode of movement and speaking the words, it is done too quickly, or it is done in a rough manner.**

**We speak today like this because, of late, the respect for prayers has almost been totally eliminated. Ask yourself: When you hear your name spoken, do you not like it done with dignity, and in a proper way and manner? It is a natural response, because you are being talked about, or spoken to, or related about a condition or situation, or a mode of understanding. The list is endless.**

**So much has been eliminated from the simple practice of *dignity* and of *respect*. It has gone so far opposite to what these words mean. It is important that dignity and respect, sincere loyalty and hope returns to the subject matter that identifies it in the right degree of what it means.**

**W**e speak differently, I know, at this time, but it is for a Reason. Throughout the world there is very little respect morally, mentally, socially, physically. The list is endless. It is time that those who say prayers to The Heavenly Father, The Heavenly Mother, or any Saint, the prayers should be spoken in a manner and way, addressing Them in dignity; but so many individuals at this time are using tactics or indifference, and feel that the words speak for themselves.

**W**e have come to have It put into print by those present here now, that respect must get back into the procedure for *how The Divine is approached* in prayer, or requests of need, for need they desire to have, and all others who feel they are praying, *find the time to speak with dignity* and not use their modes, their moods, their lack of respect.

**W**hat We are saying today is to awaken the mentalities that *communication with The Divine* is a Gift of Divine Love, allowable and encouraged for the sake of the individuals who use it for numerous purposes.

**I** know, and Those with Me, that you perhaps have never heard Our Words spoken as These have been spoken, but it is time to remember that how you act, how you think, how you prepare yourselves for not just prayer, but many other things, *respect would gain more attention than other ways*, than it is being done, ignoring Who they are speaking to, praying to.

**Y**ou have never heard these Words before in this manner, but it is Important that They be brought to the attention, thus giving respect in the proper manner and way of speaking to The Divine.

OUR HEAVENLY FATHER  
OUR HEAVENLY MOTHER

**As We close This at this time, We remind you: *The Father's Love for human life was based on Divine Love. How can you abuse Divine Love at any time?***
