

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON JUNE 22, 2005 AT 8:23 A.M.

**OUR HEAVENLY FATHER
MANY SAINTS**

“There are Many of Us present every day, especially when an *individual* has been chosen to recite Our Words for the Purpose for which We say Them.

Throughout the world there are millions of human beings that need to better understand, more fully understand that *the Gift of human living, human life*, was not made to be a challenge, but given as a *Gift of Divine Love* that The Father designed and created for the *Soul, All Souls to be instilled in the human body* to give strength morally, mentally, psychologically and physically, because the human being is above and beyond anything else created. It is sad to see abuse to it, injustice, unfairness, and sin.

Throughout the world there are millions of human beings that justify all that is visible to them, but many rarely think of *‘That Portion’ of Who I Am* is within them, representing the *Soul* for the Goal at a time when it is declared to be by Who I Am.

Though it is difficult for many to ever instruct others on the possibility of *This Gift*, it is sad for Me to say, *‘It is many times the least thought about Gift that human beings could possibly have.’*

I could speak hours on this Subject, but it is Important that it become more of a Subject, giving the awareness openly that there is *A Supreme Power in Existence* that was created long before human lives.

The Reason for the *Souls* was to give to human life a *Goal*, a *Purpose*, and an *Outward Sign of Divine Love*, over and above human ways.

As I close My Words, I add to what I have spoken: Never let one day go by that you do not remember you did not walk it alone; you had '*a Portion of Who I Am*' *guiding* you many times, *aiding* you many times, *helping* you many times, because of the Importance of your being a human body with a mind, *instilled* at another time."
