

OUR HEAVENLY FATHER

“I am your Heavenly Father.

Each day in the life of a human being is a Gift of Divine Love. Each prayer that is spoken reaches the Saint Who is addressed in this prayer. It is a communicative move, action, and a Beauty to see, especially when those who say the prayer or prayers, do it with love of The Divine, assurance of The Divine, and feel close to The Divine in a personal way.

There are millions of human beings throughout the world who need to understand more indepthly, *what a Beautiful Gift of Divine Love Prayer is to the mentality, to the will, and to the purpose for which the individual prays.*

So many children do not, or I should say, are not told enough about *the Importance of Prayer.* It is usually a prayer taken for granted, that everyone says, but what is the purpose to say a prayer? I ask you this.

The *purpose* should be *the awareness* of what one is praying for, praying to, praying about, and what results the individual wants when the prayer becomes a part of how they live, how they think.

Pages could be written on this Subject, because the very thought of prayer lightens the heart of more human beings than is ever thought to be; so imagine now, if it lightens the heart of the human being, what does it do to The One Who is addressed in the prayer, requesting strength from Them, hope from Them,

Divine Love from Them, and perhaps an Act of Care?

I smile when I end these Words at this time, because the Greatest Gift, besides being a human being, is What was instilled into the mentality, understanding Divine Will, Divine Way, Divine Hope, Divine Courage, and the Force that a prayer has when it is spoken in the words that it was given, to help in some way.

As I close these Words, I want you to remember Them, because *prayer* can be spoken more times than just one, two or three in a day. A *silent prayer* is only silent between the individual and the Saint. Remember this. God keeps track of how you pray, because *your communication He is always aware of, and thanks you for it*, because prayer has strength in it, hope in it, and Divine Love loves to hear prayer, because then, The One Who is being prayed to, will have the *privilege* to fulfill what the prayer asks.”
