

REVELATION DELIVERED THROUGH FRANCES M. KLUG

**OUR HEAVENLY MOTHER
OUR HEAVENLY FATHER**

“I am your Heavenly Mother.

I am your Heavenly Father.

We smile as We say through *this little one*, that *‘This Gift’ that shares so much with so many*, is indeed a pleasure when We hear the responses or the happiness, or the interest that each human being absorbs, and It gives to them *a closeness to Us* that sometimes they do not realize the measure of it, but oftentimes it is innately felt within them, a feeling nothing else could give.

Children throughout the world are not being instructed as properly as they should be regarding *The Divine, that is ready and available to them*, so they can learn more indepthly what they have, to talk to and to use as a Strengthening Measure of Divine Love.

When two human beings care for each other, the company of each other, the mentality of each other, it is important that they use these as times when they can express and seek happiness from the relationship. It is the same thing when those who walk the human way and they find that speaking to The Divine is a Treasure to them morally, mentally, psychologically, and it draws their attention to a stronger attitude and many more things.

You live in a time wherein so many human beings, of all ages, need to feel *the closeness they have to Those Who are yet*

in the Heavens, because it is Important; that communication helps those upon the earth to know that they have the ability to communicate with Anyone they call, Anyone they name. It gives a strength that nothing else can.

When small children pray, it is sometimes done out of wanting to be like others. No matter what reason they have, it is important that they learn that communication that they have the opportunity to participate in, is readily heard by Someone in the Heavens.

Prayer is a Gift Greater than It is seen to be, because It gives strength, It gives hope, and It gives purpose to how an individual feels and leans upon Those in The Divine to give them hope when it is needed, strength when it is needed, companionship when it is needed, and yes, many times the answer to what is needed; not always the answer perhaps, but the fact of being able to communicate knowingly that they are heard when they say a prayer, or a prayer of request, or a prayer of happiness.

Needless to say, We could speak hours on This Subject, because in the Creation of human life, *the Greatest Gift was that Gift in which The Heavenly Father, The Heavenly Mother, and All the Saints were available.*

Now, when someone says they need aid, they need care, they need help, *it is heard and it is accomplished or accompanied by some good*, understanding that they really do not know all about it, but it gives hope, it gives what We would call *a feeling of not being alone*, and that is important many times to all ages of human life, human living.

**I will close but, as I do, I feel you should know there were
Several of Us in on This Particular Communication with you.
Always remember, your Soul, your Guardian Angel is never
without The Creator's Love for you."**
